

Get Golf Ready 2017

Fall Series

This program is designed for adults who want to
LEARN to PLAY or GET BACK into golf and have FUN.

Bear Creek Director of Instruction, Michael Barnett PGA, will be teaching these valuable, fundamentally oriented classes for those wanting to learn the game of golf. The classes will focus on the universally important pre-shot routine made up of grip, aim, stance and posture (GASP), critical to the success of golfers at any level. We will teach simple, repeatable swing elements, what and how to practice, finishing the series with an important on course class during which we will go over course strategy, key rules and etiquette.

Series of Six Lessons Includes Free Orientation:
